**Subject:** Microsoft Settlement

Dear Sir/Madam,

The proposed Microsoft settlement is inadequate, and I believe it is inadequate because it has been influenced by lobbyist. While it may often be true that the fat cat with the biggest pockets can buy the best defence, "this proposed settlement" is being watched with shame by many Americans who may own a computer, but live financially at the poverty level, such as myself.

The whole thing is disgraceful.

Michael Stowell Winecoff, LMP
